

THE CENTER FOR MIND-BODY MEDICINE

is pleased to announce the

Mind-Body Medicine Professional Training Program

Royal Sonesta Hotel, New Orleans, LA

September 28 – October 3, 2007

- ***6-day intensive professional training***
- ***Science-based & experiential***
- ***Taught around the world since 1994***
- ***Used in hospitals, medical schools, private practice, community health and trauma relief programs***
- ***Providing thousands of healthcare professionals with the tools and experiences needed to transform their lives & practices***

Up to 80% of all illnesses are related to chronic stress. This course is designed to give you the tools you need to help your patients & clients with stress management & to deal expertly with preventing & treating chronic illness of all kinds.

Continuing education credits & partial scholarships are available & a limited number of full and partial scholarships are available for health professionals from New Orleans & surrounding parishes

For more information about this and other professional training programs, please visit our website at
